An English Medium Co-educational School

Affiliated to CBSE (Affi. No. 1730864)

**PROSPECTUS**

## The Desk of Chairman ----

Dear Prospective parents,

Greetings!

It is a matter of great pleasure that you are considering GPS School for the educational odyssey of your child. GPS School is a conscious and thoughtful response to a critical need for an excellent and relevant education in an innovative and creative frameworks. Apart from academics, cultural and traditional persuasion, we are striving to groom our students towards self-development and self-discipline through self-introspection. The present scenario of our society is very bleak as we vacillate between our traditional values and the invasion of western thoughts and culture. We are sanguine that armed with a team of brilliant and dedicated staff who shall strive to imbibe both contemporary education and moral values, your ward will surely march triumphantly on the path of success. It remains our constant endeavor to empower our students to be compassionate, responsive to our culture heritage, academically excelling holistic persons, with a scientific temperament in an environment of sharing and caring.

With best wishes.

**Dr. Naresh Yadav**

M.A., M.Ed., Ph.D.

Chairman

(GPS School)

## The Desk of Director ----

Dear Parents and Students,

The role of this institution is to provide the learning opportunities for children in the best possible way. The educational philosophy in GPS School does not prejudice the thinking of children with preset ideals. The school has an atmosphere of warmth, beauty and creativity where children can flourish. We identify, nurture and enrich giftedness in each child through continuous innovative learning to bring out the best in him/her. We treat our young pupils as individuals and aim for them to develop competence and resourcefulness, social conscience, moral courage and true zest for life.

Elbert Hubbard has rightly said-

"Education is a conquest, not a banquet it can not be given, it must be achieved."

**Mr. S.S. Mehta**

Retd. Sr. Teacher

Director

(GPS School)

## The Desk of Principal-----

"Give a man a fish and you feed him for a day; teach a man to fish and you feed him for a life time."

Dear Intellectual parents

Welcome to GPS school, Bhagwari khurd, Behror for scholars who wish to excel in academics. The GPS school is established with a pious purpose. The idea of GPS school came into existence to fulfill the need of the quality education. I am proud to say that all the members, management, teaching and non-teaching associated with GPS are strongly committed to the needs and entitlement of the individual child. I am sure that we together can build up the career of tomorrow. For this your sincere co-operation is needed. In order to attain holistic development of a child we lay emphasis on scholastic and co-scholastic education. The whole curriculum and the activities are designed in such a way that it enable our pupils to progress groom and develop to thier maximum potential. Martin Luther says, "The function of education is to teach one to think intensively and to think critically intelligence plus character that is the goal of true education". We very much looking forward to meeting you, and trust that your association with the academy will long happy and rewarding. The following lines express the real spirit of the school.

"Education is the most powerful weapon which you can use to change the world."

"The root of education are bitter, but the fruit is sweet."

**Mr. Yogesh Chand Sharma**

M.A. (English), B.Ed.

Principal

(GPS School)

## Faculty

Teachers are the heart of any school. The faculty comprises highly qualified and well experienced teachers. They are convent- educated, vibrant and dynamic, alert and motivated and adopt the interactive technology of teaching.

### Mission of School

#### "MODERN EDUCATION WITH TRADITIONAL VALUES"

"Our motto lies in developing the overall personality of students through character building with an ethnical approach. Our mission is to cultivate the leaders of tomorrow, today, to enrich each student's academic and personal development whilst upholding values of integrity, to deepen each student's understanding of the complexities of the world to nurture each student to reach his or her potential."

### Vision of School

"We Will empower students to face and excel within the ever changing complexities of the modern world. To nurture the unique potential of younger learners and ignite their minds through enrichment and value based education in a creative and innovative frame work. We aspire to have qualified and exceptional teachers who are passionate about imparting knowledge and nurturing independent, innovative and creative thinking. We will build a community that is dynamic, multi-cultural and sustainable

## Computer Lab

Realizing the need of the hour of information technology a well furnished computer lab is established to make students savvy. They are opposed to the developments and advancements made in the field of information technology on a regular basis.

## Library

A well maintained library is situated in the school premise. The library contains more than 2400 books. Students can make best use of their leisure time in the school library. Monthly magazines and daily newspapers are chief characteristics of the library.

## Picnic & Tour

Picnic and tour is proposed for our students so that they may learn new things by seeing and this activity will enhance their general knowledge also. The students are taken to the place of importance historical and religious.

## Play Ground And Garden

Play ground and garden are being developed in the school camps for the children. For the development of total personality, it is compulsory for each child to take part in sports and games.

## Spacious & Airy Class Rooms

All the classroom are spacious and airy the visibility in the room is very good because natural light always remains there throughout the day.

## Dance Classes

Our dance teacher conducts dance classes daily so that the children may be familiar with the basics of dances and, if they have any type of talent related with dance, that talent will be brought out.

### CO-CURRICULAR ACTIVITIES

The years a student spends in the school should enable him/ her to acquire sound principles of conduct and action, and lay a solid foundation for true and purposeful living, when he attains adulthood. Principles of honesty, trust, co-operation, self-reliance and hard word are inculcated through various, School Activates. In these activities, The child learns to do things for himself under the steady supervision and guidance of teachers. Our school provides a fairly widespread field of activates both in house and at the inter school level. Parents are requested to encourage their children to participate in all such activities as these develop in them confidence, a feeling of healthy competition and sportsman spirit.

### ACTIVITIES

- An Educational Tour
- Picnics
